

# Conker Tree Class - Autumn Term

## Creative Arts

Pupils will have an opportunity to develop their cooking skills and hygiene awareness ensuring that they can measure and combine ingredients, create and refine recipes, especially looking at cooking times and temperatures.

In design they will experiment with collage and printing, looking at different artists, increasingly being able to develop their own ideas, evaluating and improving them.

In Music, they will look at 20<sup>th</sup> Century music. Pupils will continue to develop their knowledge and awareness of pulse, voice, rhythm and pitch and, responding to songs and music creatively and performing features of house and minimalism music.

In Drama, pupils will explore other musicals and theatre through lighting, cloths, stage directions, programmes and theatre creator.

## Humanities

**In History**, pupils will explore the changes in Britain from the Stone Age to the Iron Age. They will learn how to be an archeologist and discover the timeline, evidence, sources and vocabulary used by archaeologists and how to carry out a dig.

**In Geography**, pupils turn their focus to Europe, so they are able to describe and understand key aspects of physical geography.

## Maths

At Woodfield we follow the White Rose Maths scheme. In the Autumn Term, pupils will continue their learning and practice of number and place value up to hundred million. They will cement their understanding and practice of addition and subtraction with up to 5-digit numbers.

## English

Pupils will continue their Rapid Readers books and practice using cursive handwriting smoothly and legibly. They will read a range of texts and predict what might happen. They will infer information from feelings and thoughts by focusing on the characters in stories. They will learn how to use headings, sub-headings and possessive apostrophes.

They will continue to practice their cursive handwriting in their own pieces of work.

Pupils will look at Well Being through the topic Escapes and Dreams to recognise, name and express feelings.

They will also explore non-fiction biographies and Inventors looking at verbs and adverbs.

## Languages

Conker Tree will develop their cultural awareness with an opportunity to learn some French and /or German basic vocabulary focusing on interactions and learn more about customs and traditions

## PE/sports

Pupils will continue to attend swimming lessons each week along with learning more about circuit training, target games and basketball. They will develop their core strength and agility and begin to understand why they warm up and why physical activity is good for their health.

## Science

Using White Rose, this term, pupils will explore forces and space. They will look at friction and resistance, engage in some of their own experiments and complete an investigation about water. They will look at the solar system and the planets, learning how to work scientifically using appropriate key terms.
